# Covey Call

March 2025 Roundtable

Editor: Vice Chief of Admin Christian Hector, Associate Adviser Anthony Wilke

## Brotherhood Buzz

The North Star chapter has a busy start to 2025. At the January Tamegonit Lodge Winter Banquet we had a fun booth where we showed off our cornhole prowess to the rest of the lodge. As a result, we won 3rd place for the best booth! In addition, we were able to recognize the 2024 and 2025 Vice Chief of Elections Daniel P. as the 2024 North Star Arrowman of the Year! Daniel helped with almost every election in 2024, showed up to multiple Lodge events and even staffed a few. He is a fantastic addition to our team, and we are super grateful he is with us. Last year was the first year of a new Lodge program called "Chapter of Excellence" and our North Star district overcame the requirements with gusto and was recognized at the Banquet for this achievement.

## Service Scoop

Saturday April 5th, our chapter will host a district-wide service project for all units to help with. The service project will be picking up trash alongside I-435 and Cookinham starting at 3pm. Immediately following the service project, at the Salvation army on North Oak, join us for our second annual Order of the Arrow Chapter call-out! Any troop that wishes to join and have their youth take part in the call-out need only show up and bring a list of the names of those they wish to be called. Please speak to Mike Provence or Anthony Wilke with questions.
